

Learn to cook Modern Australian Cuisine On the Ridge Cooking School

On the Ridge Cooking School at Kureelpa, invites you to come and enjoy our cooking classes where we create, cook and celebrate good food for you, your family and friends to enjoy. Our modern Australian cuisine uses fresh, locally produced, seasonal food. We encourage you to develop a passion for cooking healthy, tasty, delicious dishes, in a style that is natural and true to your own tastes.

Our signature class is A Slice of the Hinterland; there are a variety of other classes offered. Check the website for more details. The participative and 'hands on' classes are limited to 8. These may be booked individually or you may organise your private group on a date to suit you.
